In order to assist you in your design project we need the following information:

1. SOIL SAMPLE

Remove soil from a depth of 4"-6" below grade. Fill the soil sample in a plastic bag/coffee can. Be sure to bring in 2-3 samples from different areas.

2. PLOT PLAN

(Dimension Drawing) We will be using your plan to enter data on. Approximate scale is good. Show details on the plan including walkways, windows, patios, entries, waterlines, exterior lighting. Also indicate Direction North on your plan.

3. PHOTOS OF THE AREA TO BE ADDRESSED

Photos can be taped together, or digital camera images can be used if submitted on a CD or floppy disk. Take distance as well as close-up pictures.

4. Contact Carol between 9am-3pm to schedule your first appointment.

5. 7-9 days after the first consultation, contact Carol for a follow-up second consultation with our staff to review your landscape design/budget concepts.

LANDSCAPE DESIGN FEE IS BASED UPON SIZE OF PROJECT. AVERAGE FEE IS \$200 WITH \$100 CREDIT UPON PURCHASE OF RAINBOW GARDEN MATERIALS.
